For immediate release

Grope Hamilton Lawyers welcomes new Partner Lorenzo Mazzocchetti.

Grope Hamilton Lawyers' growth and diversity strategy is reaping rewards with the appointment of new Partner Lorenzo Mazzocchetti.

Managing Partner Mark Hamilton says the firm's core competency of providing specialist commercial legal services is further enhanced by the appointment, as Lorenzo's expertise in property and building construction law adds real depth and breadth to their property and finance/business transactions areas of practice.

"Our clients expect more than just an answer, they expect and receive technical excellence, and Lorenzo's technical knowledge is unsurpassed. This man is a walking encyclopaedia of property practice," Mr Hamilton said.

In line with the Grope Hamilton Lawyers unique culture, Lorenzo is proactive rather than re-active, taking a hands on approach to providing commercially realistic, legal solutions.

"With his exceptional drive, critical reasoning capacity and technical ability, Lorenzo will lead Grope Hamilton Lawyers' specialised Commercial Leasing Services team to provide a level of service unequalled in Adelaide."
